NEW PROGRAMME

HD in Security and Disciplined Services Management

This new programme provides appropriate security management and disciplinary training for students interested in joining the related profession. During the study of the programme, students can receive training in the auxiliary force (need to pass Selection Process) and participate in real operations and services after passing-out to gain real-life experience.

For details, please [click here](#).

Note: The validation of programme will be conducted in 2019

STUDENT ACHIEVEMENT
